NEXT MEETING: THE PICNIC! JUNE 19, 2011

It's been a really wonderful year of orchid activities. We've all enjoyed another spectacular Spring show, and a succession of really outstanding orchid speakers through the months. If you poke around a little bit on the Web, you'll find that no orchid society *anywhere* enjoys a better program series than the GROS! Special thanks to our Program VP, Carol Butcher, for a truly admirable job!

Now that the weather has "settled," (or whatever passes for "settled" in Western New York...) we can all look forward to a relaxing and hopefully productive summer season. Many members will be putting their orchids outside for the summer, knowing that their efforts will be rewarded in the coming seasons with many flowers and good growth. Admittedly though, there are others who feel that feeding pricey orchids to the squirrels, chipmunks, groundhogs and other such assorted fauna, may not promise much of a "vacation" for the grower...

But, there's one more orchid activity coming up: the annual GROS Picnic! The Picnic comes a bit later this year, and hopefully we'll fall somewhere between the extremes of "scorchingly hot" and "miserably cold." More or less. Join us at the Orchard Grove Shelter in Ellison Park on Sunday, June 19th - Father's Day! The Picnic, without which summer can't really begin, will feature the usual smorgasbord of dishes prepared by our members. Everyone needs to bring a dish to pass: entrées, appetizers, desserts, baked goods, etc. We don't seem to have ever bothered to contrive any systematic method of "assigning" dishes, so prepare whatever you'd like, and don't fret that we'll end up with 40 interpretations of potato salad. The GROS will provide beverages, meats and veggieburgers, as well as utensils, paper goods and such.

The Picnic is open to all members and their significant others, family members, friends, etc. Ellison Park is a lovely place with lots of open space, so kite-flying, Frisbee-throwing, soccer-ball kicking and freestyle schmoozing all could occur. The open air Show Table will be holding forth, so please don't forget your flowering plants. Traditionally, members bring their "extra" plants to sell or swap at the Picnic, so be prepared. There's lots of free parking and restrooms are reasonably close by. We'll see you there!

Please note especially all names and abbreviations in boldface, and correct or complete your records. Once the parents are printed, kindly include them the next time you show the plant.
