President's Corner

October is an exciting month. The weather is changing, we start to bring our orchids inside (except for those Cymbidiums) and it's time for the...Orchid Auction! This event is fun and exciting. I've been growing orchids for 25 years, and my heart still starts to race when I see all those plants that could be mine by the end of the day. So come to the auction, support your society, maybe bid on and buy a plant or two.

Another way of supporting your society, and having fun in the process, is to set up or take down a club exhibit at another show. We have two orchid shows we want to support in this area in October. I have volunteers for the Syracuse show October 10-12. I need someone to help set up the Buffalo Orchid Show the following weekend, October 17-19. One person has volunteered already, but she needs help. Please call me if you are interested, 442-3202.

Both the Central New York Orchid Society (Syracuse) and the Niagara Frontier Orchid Society (Buffalo) have been long time supporters of our show, putting in large, beautiful exhibits every year. This is a good way of seeing another orchid show, you get first chance at the vendor sales tables, and you make new orchid friends. There is also a small stipend offered from GROS to help with travel expenses. Toward the goal of increasing confidence, I will hold a short class, "Setting Up an Orchid Exhibit," on these activities October 8th at my house.

- Jeanne

SETTING UP AN ORCHID EXHIBIT

Jeanne Kaeding will present a short class on how to set up orchid exhibits at her house on October 8, 2003. The class will start at 7:30 p.m. and run for an hour to an hour and a half. She will cover obtaining and transporting plants, registering those plants, exhibit hardware and design. Please call to get directions (and so I know how many handouts to make), 442-3202, or send e-mail to president@genesee-orchid.org if you are interested in attending.

Library Books Now Due Nov. 3rd.

Dear GROS Members.

Normally the books you signed out from our library in September would have been due in October at our next meeting. However, because of space restrictions brought on by our plant auction on Oct. 12, we are asking you to keep your materials until we have our regular meeting in November. This will give you an extra month to enjoy your books.

Happy Reading,
Carolyn Edwards, Librarian

Meeting Minutes Sept. 8, 2003

Jeanne Kaeding called the September 2003 meeting to order at 7:15. She began by acknowledging the new members. She also thanked **Jackie Cannizarro** for the wonderful refreshments provided by her committee. Jeanne reminded the membership that our next meeting would be the GROS Auction on October 12.

Jeanne introduced **Marilyn Menegus** as chairperson for the Beginners Meeting. **Ron and Sandy Uhlig** were also introduced as the 2004 GROS show chairs. Ron requested that all members consider helping with the show. Jeanne announced that we are still in need of a chairperson to organize the annual GROS picnic. She also reported that we are looking for an associate librarian. **Dean and Carolyn Edwards** have nurtured and cared for our library for many years. They are now ready to turn over the reins and would like to begin mentoring an associate.

Phil Matt requested that any member interested in writing an article for the newsletter, please contact him. He encouraged members to think about different topics and to consider contributing. Also, a general discussion centered on the possibility of an electronic newsletter. This could possibly reduce costs since the newsletter is one of our larger expenditures.

Randy Humphries requested a show of hands of members who also maintained membership in the AOS. He announced that he would provide brochures for those who wish to join. **Judy Ekberg** is chairing a committee discuss and edit the GROS by-laws. Some of the articles are vague and unclear.

Jeanne Kaeding explained the issue of changing our judging center affiliation. Reasons for changing include historically good representation from the Toronto Center, a decrease in conflicts with our show date, and the probability of having more judges at our annual show. After some discussion, **Len Bayer** moved to change our affiliation to Toronto. **Constance Anglin** seconded that motion. A majority of membership agreed.

The 2003-2004 budget was published in the newsletter and Jeanne initiated a discussion. Len Bayer moved to accept the budget as presented and Constance Anglin seconded. Membership voted to accept the budget.

The issue of adopting non-profit status was again brought to the floor. Jeanne reported that she discussed this issue with a lawyer who stated that technically GROS is a non-profit organization. Len stated that the organization has pursued this topic before and it did not seem cost effective to pursue designation as a 5013 C. In addition, it would mean a considerable amount of yearly paperwork. However, without this designation, donations to GROS are not tax deductible. It was agreed that we needed to form a committee to further research this topic and make recommendations.

Steve McCarroll reported that the annual audit was within \$2.00. The complete audit will be published in the newsletter. **Judy Ekberg** provided a treasurer's report of \$13,071.51.

Lena Parker, an accredited AOS judge for more than 20 years and a member of the Board of Directors of AOS, came to us from Shreveport, Louisiana and presented a slide program on "Orchids of Cost Rica". **Mark Gillette** presented the show table. The meeting ended at approximately 9:30 p.m.

Robert James Myers

Our dear friend, Robert James Myers, passed away in his sleep on the evening of Thursday, September 18, 2003, after a relatively brief battle with cancer. Bev and Bob Myers were long-standing members of the GROS. They exhibited and sold at our shows for many years as Plants of Paradise. Bob will be greatly missed by all who have known him over the years.

The secretary of the GROS will send a condolence card on the club's behalf.
