NEXT MEETING: NOV. 6, 2006

The Beautiful Autumn Weather has finally chased the Soggy & Miserable Autumn Weather from the scene. The GROS Auction was another resounding success (see inside) and the Fast Ferry is still standing, well, fast. Take a break from leaf-watching (or raking...) and join us as Jacob Phelps presents a fascinating program, **"Uncovered: Illegal Orchid Collectors of Southeast Asia."**

Based upon Jacob's recent experiences in cooperation with the Orchid Species Preservation Foundation and World Wide Fund for Nature in Thailand, Laos and Myanmar, we'll trace wild orchids from a Bangkok market to the villages where they were collected.

There will be discussion about conservation, including habitat destruction and illegal collection, combined with stories about travel and culture in Southeast Asia.

Mr. Phelps has been involved with orchids from an early age. As an apprentice to a former illegal orchid collector turned botanical artist in Costa Rica, Jacob learned extensively about orchid identification and ecology, and the significance of regional illegal trade and conservation. He has become increasingly involved with the orchid conservation movement. Jacob has worked and studied with various botanical institutions including the Marie Selby Botanical Gardens, The Orchid Species Preservation Foundation (Canada), Muttart Conservatory (Canada), Lankaster Botanical Gardens (Costa Rica) and Monteverde Jardin de Orquideas (Costa Rica). His focus has been on collections management, conservation plans, environmental education and exhibit development.

We'll be taking Jacob out to dinner at 5 p.m. prior to the meeting on November 6th. If you'd like to join us, call Diane Bernard at 315-597-6778. The Show Table, having unfortunately had to cancel its plans to follow the Red Sox in the World Series, will be back in all its glory - so please remember to bring your flowering plants! We'll see you there!

Auction '06: Heaven!

For an orchid lover, heaven is the opportunity to spend a dreary October Sunday in a room full of unusual spiking and blooming orchids.

Even better is when you actually get to take some of those orchids home, while supporting your local orchid society. That's what happened on October 22nd at the JCC when the Auction sent one hundred and forty-eight orchids from five vendors and a generous long-time member off to new homes with GROS members and friends.

Though the turnout was less than in previous years, the food, as always, was delicious and the atmosphere jovial. Master auctioneer Jeff Snyder has honed his skills over the years, encouraging high bids while offering unique facts about many of the plants. Assistant Mark Kaczynski helped keep the pace and humor and longtime member and past president Jeanne Kaeding corrected species pronunciations as needed. Bids ranged from a high of \$37 to a low bid of just \$8. Many plants were auctioned for well under \$20. In addition to CALorchids and Hausermann, plants from Carmela, H&R and Oak Hill Gardens were also up for bid. Special thanks to Dwaine Levy, who very generously donated plants from her wonderful collection.

Also, thanks to members Sue Flanders and Helene Novak, who helped with advertising and signs, and to Anna and Barbara Green, Mark Gillette, and numerous others who all helped with setup and brought food. Margery Green kept the money and registration in good order with the help of Judy Ekberg, who came through with the computer program that she has refined over the past few years to tally the bids. Many thanks to the Auction Committee (Lory Hedges, Kim Hober and Jeff Snyder) for overall organization and ordering, and unpacking and cataloging the plants, which is much more fun than it sounds. Ron Uhlig, our Webmaster, kept the GROS website up to date and is responsible for all the pictures taken during the auction. And finally, thanks to John and Dody Ellenberger for making room in their greenhouse for plants.

Though the obvious goal of the auction is to raise money for the GROS, all who attended went home with some new orchid knowledge and perhaps a new plant - and had a lot of fun in the process.

Long-time GROS member

Dody Ellenberger recently suffered a serious heart attack and was taken by Mercy Flight helicopter to Strong Memorial Hospital.

Husband John reports that Dody is now at Monroe Community Hospital for a few weeks of physical therapy, and aside from being a bit tired from her ordeal, is doing fine. Members who wish to send their regards may write to Dody c/o Monroe Community Hospital, Faith 5-E, 435 East Henrietta Rd., Rochester, NY 14620. The Ellenbergers have requested that due to the rigors of daily physical therapy, friends refrain from visiting for the time being. -Ed.
