## THE PICNIC! Sunday, June 5, 2016 - Noon

Our Annual Picnic is the final GROS meeting before we break for our summer vacation: there are no meetings in July or August.

The Picnic will be held on Sunday, June 5th this year. The location will be in Mendon Ponds Park, PondView shelter. Things get started around Noon, more or less. If you need a map, you can download one from the link on our website.

The Picnic is free to all GROS members and their families. The weather is usually pretty good,

and Mendon Ponds Park has plenty of room for those inclined to throw Frisbees, watch the local goose contingent, etc.

Diane Bernard is coordinating the Picnic this year. She's also the BBQ chef. The GROS will provide Diane's BBQ - pulled pork - for everyone, and the Society will provide all beverages and utensils/paper goods. Members who prefer beer or alcoholic beverages are invited to BYOB. Everyone is asked to bring a dish to pass - appetizers, entrées, desserts, etc. Diane's also wrangling the dishes-to-pass, so please let her know what you'll be bringing: no one wants to eat 14 potato salad variants! You can use the links on the website to contact her. Please email Diane to let her know how many people you'll be bringing, and your choice of veggie/pulled pork.

There will be a Show Table - notorious as one of the best ones of the year - so bring your summer bloomers for everyone to see! It is traditional that many members bring their spare plants to sell or trade - and the GROS does not collect commissions on these Picnic plant sales. Fun!

We'll see you there!
